All Saints, Brompton

Thank you to all who opened their gardens, did lunches and teas and looked after visitors at our Open Gardens in June. Not only was it a financial success raising over £1200 for All Saints and £444 for Brompton Village Hall, but also visitors commented on the warmth of their welcome. Next on the agenda is our summer garden fete on the afternoon of Sunday 4th August which includes the famous duck race. Nick and Clare Evans continue the tradition of hospitality at the Manor House with its lovely grounds and stretch of Brompton Beck. The real ducks do get caught up in the race but I don't think it does them any long lasting harm. Once again we hope everyone who comes can expect a happy afternoon with lots of stalls and plenty of tea and ice cream.

David and I were re-elected as your churchwardens at our recent AGM and thank you for your continued support.

The success of last year's Hutton Buscel Open Gardens together with our Flower Festival and various grants enabled us to proceed with works to the bell tower and the sound of our bells ringing confirmed the works had been completed. The bells rang again for this year's Open Gardens and once again records were broken with the amazing total of £3700.00 being raised. From the fabulous gardens, very welcome scrummy tea and cake, Terry's organ playing and the opportunity to have a go at bell ringing an excellent day was had by all. It was so good to welcome so many into St Matthews we have an 'open day' planned for later in the year. Again with the opportunity to have a go at bell ringing, to look around the church and to see what future maintenance is becoming very necessary – display boards will be in place explaining essential works and refreshments will be available.

A huge thank you to everyone involved in making the Open Gardens such an enjoyable and successful day, from us all on the Parochial Church Council.

A BIG THANK YOU to all those who supported our Open Gardens on 23 June. The weather was kind and the rain kept away until after the end of the event. Many of our garden enthusiasts commenced their afternoon with lunch in the village hall and a good number returned for afternoon tea! The event raised almost £1000 - a great effort all round.

The roof renovation and drainage project is now in full swing with an expected completion date of mid-

August. The project costs amount to some £200,000, of which just under half is being grant aided by the Heritage Lottery Fund. This is a tremendous amount of money for a small church to find, but we have been overwhelmed by the support we have received for our fundraising events. Such support strengthens our belief that we can keep the church open as a living place of worship and hub for community activities and events in Snainton for generations to come.

CHRISTIAN MEDITATION GROUP

ST STEPHEN'S CHURCH, SNAINTON

*'I tell you, whoever does not accept the kingdom of
God like a child will never enter it.'*

Mark 10: 15

This form of silent, imageless prayer using a mantra or prayer word is rooted in the Gospel, the letters of St Paul and originated with the early Desert Fathers of the 4th century. A Benedictine monk, Father John Main OSB (1926-1982) has rediscovered this ancient prayer tradition for contemporary men and women. There is now a World Community for Christian Meditation (www.wccm.org) which supports over 800 Christian Meditation groups across the globe.
